## E-GOVERNANCE POLICY

Electronic Governance or E-Governance can be defined as the usage of information and communication technology (ICT) by the organization to provide and facilitate required service, exchange of information, communication, transaction and integration of services thereby creating transparent and paperless system.

### Objectives:

1. Implementation of E-governance in various functioning of the institution
2. Achieving efficiency in the functioning
3. Promoting transparency and accountability
4. Facilitating online internal and external communication between various entities of the Institution
5. To monitor all the activities of the college
6. To make campus Wi-Fi enabled

### Policy:

1. In order to provide simple and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.
2. The policy is designed and framed to make each and every function transparent and accountable.

### Website:

In general institute website <https://www.jcbakewar.org.in/> will act as an information center for all stake holders and it will reflect the activities carried out inside the college. So policy is made to disseminate all the details in website like circulars, all departmental activities, courses offered, important announcements etc.,

### Administration:

- **The Biometric system** will be used for maintaining attendance record of teaching and non-teaching staffs. Finger-print of every staff should be record in the system for recognition during entry and exit time every day. It is useful for attendance management system in the organization to improve the governance.
- **CCTV** - All classrooms, library, office etc. are equipped with CCTV cameras and audio recording which helps the administration to monitor all the discipline issues at the maximum level in administration, classrooms and exams.
- **Manav Sampda Portal (ehrms.upsdc.gov.in)**- Use of Manav Sampda Portal (ehrms.upsdc.gov.in) for managing/updating records of teaching and non teaching staff as service book, leave details etc.

**Student Admission and support:**

An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the CSJM University Kanpur. The College should display guidelines for the admission process on the website. The payment of admission form fees should also be paid online through Net banking/UPI. Faculties should create Whatsapp Groups for student's help to provide the brief notices of any event to be happened in college.

**For Examination:**

The Examination process is regulated by the University and thus e-governance policy of the University to be adopted in this regard. CSJM University provide online access for managing Examination process, for this purpose, college performs following activities-

- Online Submission of examination forms
- Print Admit Card, Verification forms of students
- Send online Attendance of students
- Fill online Internal/External Marks of Practical/Theory etc.

**Finance and Accounts:**

At present the college maintains its accounts manually but in future college will maintain its accounts on Tally.

**E-Waste Management:**

College ensures that its usage of technology and generation of e-waste does not impact the environment.
