Policy Document
Online Teaching and LMS Cell

The Online Teaching and Learning Management System (LMS) Cell at Janta College, Bakewar is established to enhance and regulate online education, ensuring alignment with the guidelines provided by the University Grants Commission (UGC). This cell aims to facilitate the effective implementation of online teaching practices and the management of the LMS platform to provide quality education to students.

Objectives of Cell

1. To promote and oversee the development and delivery of online courses.
2. To ensure the use of the LMS for teaching and learning activities.
3. To provide training and support to faculty members for the efficient use of the LMS.
4. To monitor and evaluate the performance of online teaching activities.

Regulations and Guidelines

- The Online Teaching and LMS Cell will strictly adhere to the guidelines issued by the UGC for online education.
- Online courses must meet the minimum standards set by the UGC, including the use of appropriate pedagogical strategies and assessment methods.
- The LMS platform must be regularly updated to ensure it meets the needs of the students and faculty.

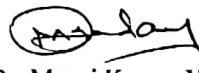

Evaluation and Feedback

The performance of the Online Teaching and LMS Cell will be evaluated annually. Feedback will be collected from students and faculty to continuously improve online teaching practices. Regular reports will be submitted to the college administration on the progress and challenges faced by the cell.

This policy document will serve as a guide for the effective functioning of the Online Teaching and LMS Cell at Janta College Bakewar.
