By its exceptional dedication towards imparting quality education by offering learner centric teaching-learning for learners from diverse backgrounds for holistic development.

The institute always strives to improve and increase the learning capacity of students by motivating the faculty to adopt innovative teaching-learning pedagogy essentially focusing on a combination of traditional and modern teaching approaches such as use of audio-visual aids like power point presentations, videos, info graphics and other such mind mapping tools that not only help maintaining the attention span of students but also help in grasping the concept in a better way.

In addition to making use of latest innovative teaching-learning tools and techniques, Janta College Bakewar recognizes that the learning interest and pace of every pupil is different (some learners are not-so-gifted (Slow learners) and whereas some are gifted learners (advanced learners) and hence special plans/strategies are adopted to deliver learner centric teaching-learning.

Advanced and Slow Learners

Advanced learners are the students who understand a taught topic relatively faster than the other students in the class and attain high scores. They have more potential and talent than the others in the class.

Slow learners on the other hand mostly lag behind in their academic pursuit and find it difficult to understand the subject. The poor performance may not be a sign of the poor capacity or talent but may be due to inappropriate teaching methods, socio-economic background, lack of motivations and support, unorganized learning practices or even the inability to converse in devised medium

Preamble

The primary goal of creation of this policy is to assess the learning capacity of the students and provide them guidance accordingly. Specific objectives are enlisted as under:

- Identification of the slow learners and advanced learners in the class.
- To develop significant strategies and scientific implementations to benefit both the advanced and slow learners.
- To boost up the confidence of slow learners and to minimize the barriers and help them out for enhancing their skills in respect of learning processes.
- To encourage to the advanced learners to be excellent achievers
- To bridge the gap between slow and advanced learners.

In the ensuing section, detailed description of the strategies adopted for the slow learner and advanced learner identification process and appropriate guidance measures are highlighted.

Policy for identification of slow and advanced learners

At the entry level, the students must be assessed on the basis of their performance in Learner's Aptitude Test, preceding examination, interest in chosen current subject, involvement

in classroom teaching-learning, and learning pace of students.

Strategies undertaken for tackling slow and advanced learners

Slow Learners:

After the identification of the learners the departments following policies are adopted:-

- (i) **Remedial Classes:** Remedial classes will be conducted by all the departments regularly for the identified students. A remedial schedule prepared. During these classes, teachers are expected to engage in problem solving exercise, provide additional study materials and notes, etc. to the students, direct their creative energies towards concept clarification so as to bridge the knowledge gap & enable them to cope with the academic course to which they are enrolled.

The mandates of the remedial classes thus would be:-

- Provision for simplified but standard lecture notes/course material (Providing hand written notes for easy understanding).
- Giving additional learning materials like question bank, university question papers etc
- Revision of topic sand practical.

- (ii) **Guidance through mentor-mentee scheme:** Mentoring and connecting with faculty members would set up a healthy relationship between the students and the faculty. Small groups of 10-15 students with a faculty mentor is formed for discussions and open thinking towards the self.

- (iii) **Conducting activities to enhance there critical and problem solving skills, orienting them to think.**

Advanced Learners:

- (i) Advanced assignment sort asks would be assigned to advanced learners.
- (ii) Guidance to crack competitive examinations and orient them for better career

planning and growth.

- (iii) Stimulating the research aptitude by giving them an opportunity to pursue internship/acquire hands on training on projects beyond the curriculum.
- (iv) Inspire them to get engaged in certificate/value added courses to nurture their skills on SWAYAM, NPTEL, Course Era etc.
- (v) Motivate them to participate in group discussions, debates, elocution, quiz to develop analytical and problem solving abilities.
- (vi) Organize activities to polish their critical thinking abilities.

Anticipated Outcomes

It is expected from the policy framed for the advanced and slow learners that there will be an overall improvement in university results, increase in % of students ,who are able to plan their careers effectively and ultimately contribute towards the betterment of the nation.
