## About The Conference

The International Conference on "Innovation, Entrepreneurship, and Incubation in Agriculture, Science, Commerce & Social Sciences" is a platform for academicians, entrepreneurs, industry leaders and policymakers to exchange ideas and strategies for fostering innovation and business growth. The conference focuses on startup ecosystems, technological advancements and incubation models that drive sustainable economic and social development with a multidisciplinary approach, the event will explore emerging trends in agriculture, science, commerce and social sciences, highlighting the role of technology, research and policy in empowering businesses and communities. Discussions will address investment opportunities, business incubation, digital transformation and social entrepreneurship, ensuring innovation leads to economic prosperity and inclusive growth. This conference provides a unique opportunity for networking, collaboration and knowledge-sharing, aiming to inspire actionable solutions that bridge the gap between research, industry and entrepreneurship.

## About The College

Janta College, Bakewar, Etawah, U.P. India 206124 is a NAAC Grade B accredited institution affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur, U.P., India. The college offers undergraduate and postgraduate programs in Agriculture, Science and Commerce. Additionally, Ph.D. scholars conduct research on various topics, contributing to academic advancements. Spread across 47 acres, the college boasts state-of-the-art infrastructure, including smart classrooms, well-equipped laboratories and a dedicated research development and innovation center, an administrative block, a well-stocked library, a dairy research farm, seasonal crop plantations, sports fields, separate hostels for male and female students, residential facilities for teaching and non-teaching staff. Our college actively engages with local communities through various innovation-driven activities aimed at economic empowerment, by collaborating with small farmers and women in rural areas, the college conducts programs that enhance their financial stability and knowledge base. Each year the college adopts 12 villages, conducting seminars, workshops, and awareness sessions on sanitation, safety and innovative agricultural practices. Additionally, our college organizes Agriculture & Science, Livestock & Dog Exhibitions Farmer's meetings (Kisan Chaupal) Farmer Help Desk & Disaster Management Awareness Programs and different national and international seminars. The institution plays a vital role in promoting education among the local population, ensuring that knowledge reaches even the most remote communities. Our college takes pride in its students and faculty, who excel in teaching, research, and extracurricular activities. Many of our alumni hold prestigious positions in India and abroad, bringing recognition to the college. The collaborative and work-driven culture of both teaching and non-teaching staff fosters an excellent academic environment. Their dedicated efforts have led to the college being honored with the Green Champion Award by the Mahatma Gandhi National Council of Rural Education Govt of India. The College is conveniently located 23 km from the district headquarters of Etawah on the National Highway. Etawah is well-connected by rail and those traveling by air can reach the college from nearby airports, including New Delhi, Lucknow, Gwalior and Agra. From these airports, Janta College, Bakewar is easily accessible.

## Innovation, Entrepreneurship, and Incubation in Agriculture, Science, Commerce & Social Sciences

### Sub-Themes:

#### Agricultural Innovation & Agri-Entrepreneurship

- Role of women in Innovation, Entrepreneurship and Incubation in different areas.
- Smart farming, precision agriculture, and AI in agribusiness
- Sustainable farming practices and food security
- Role of agribusiness startups in rural development
- Agri-tech incubation and investment models

#### Technology & Scientific Breakthroughs in Innovation

- Artificial Intelligence, Blockchain, and IoT in business & research
- Biotechnology, healthcare innovations, and environmental sustainability
- Research commercialization and industry-academia partnerships
- Space technology and renewable energy solutions

#### Entrepreneurship & Business Development

- Startup ecosystems and incubation models for SMEs
- Digital transformation in commerce and finance
- E-commerce, FinTech, and emerging business models
- Entrepreneurial finance, venture capital, and funding opportunities

#### Social Entrepreneurship & Inclusive Growth

- Women-led startups and inclusive business strategies
- Role of SHGs and grassroots innovations in economic empowerment
- CSR initiatives for fostering innovation and entrepreneurship
- Public-private partnerships for social and economic transformation

#### Policy & Global Best Practices

- Government policies and regulatory frameworks for startups
- International models of innovation and incubation
- Cross-sector collaborations for economic sustainability
- Challenges and opportunities in global trade and business expansion

### Programme Schedule-

#### Fri, 07 March, 2025

- 08:30 AM onwards Registration & Welcome Tea
- 09:30 - 10:30 AM Inaugural Session
- 10:30 - 12:00 PM Keynote Lecture-1
- 12:00 - 01:30 PM Keynote Lecture-2
- 01:30 - 02:30 PM Lunch Break
- 02:30 - 03:30 PM Technical Session -3
- 03:30 - 04:30 PM Technical Session -4
- 04:30 - 05:00 PM High Tea & Networking

#### Sat, 08 March, 2025

- 08:30 - 09:30 AM Tea
- 09:30 - 11:30 AM Technical Session -5
- 11:30 - 01:30 PM Technical Session -6
- 01:30 - 02:30 PM Lunch Break
- 02:30 - 03:30 PM Panel Discussion
- 03:30 - 04:30 PM Valedictory Session & Certificate Distribution
- 04:30 - 05:00 PM High Tea & Networking

End of Conference
